WELCOME TO PROFX EXPO AFRICA 2026

ProFX Expo Africa 2026 is a large-scale international financial exhibition and networking event designed to connect Africa's rapidly growing trading community with global financial brands and opportunities.

The Expo creates a powerful environment where **traders, brokers, fintech companies, educators, investors, and technology** providers come together to:

- Network
- Learn
- Explore new opportunities
- Discover innovative products
- Build long-term business relationships

Hosted in Cape Town, one of **Africa's** leading business and tourism destinations, the event delivers a unique mix of education, entertainment, networking, and industry growth.

WHY AFRICA

One of the Fastest Growing Financial Markets in the World

Africa is rapidly becoming one of the world's most exciting regions for forex trading, fintech innovation, online investing, and digital finance.

With growing internet access, increased mobile usage, and rising interest in trading education, millions of people across the continent are entering the financial markets.

This creates major opportunities for:

- Forex Brokers
- Crypto Exchanges
- Fintech Startups
- Prop Trading Firms
- Payment Providers
- Trading Platforms
- Financial Educators

Cape Town acts as a gateway into major African financial markets including:

- South Africa
- Nigeria
- Kenya
- Ghana
- Tanzania
- Emerging fintech regions

Why It Matters

Africa represents the next major growth market for the global trading and financial industry.

ProFX Expo Africa positions attendees and brands directly at the center of this growth.
